# MOHD SAMI

## DEVELOPER

Mumbai | siddiuqisami2580@gmail.com | LinkedIn | 8104302638

## SUMMARY

Passionate Frontend Developer skilled in building responsive and user-friendly web applications using HTML, CSS, JavaScript, React, and Bootstrap. Experienced in creating modern UI designs, ensuring cross-device compatibility, and optimizing performance for seamless user experiences. Strong understanding of Git, version control, and Agile collaboration, with a quick-learning mindset and problem-solving approach to delivering high-quality solutions.

## PROFESSIONAL SKILLS

Design Understanding
Team Collaboration

## TECHNICAL SKILLS

React, HTML, CSS, JavaScript, Bootstrap, Git, GitHub, Agile

## PROJECTS

**ChatGPT-Sidebar**                                                                                          **Aug 2025**

Created an interactive ChatGPT-powered sidebar extension integrated into a web application.

Sidebar panel listing all your questions in the current chat.

Enabled One-click navigation to any message, quickly jumps to any conversation message without endless scrolling.

**Lost & Found AI Agent**                                                                          **Sep 2025 - Oct 2025**

Built AI Lost & Found web application that helps the users locate lost items through image comparison and description matching.

Collaborated with team members on sprint planning, task tracking, and version control using Git and GitHub.

My Contribution:- responsive frontend using HTML, CSS, JavaScript, and React.

Enabled real-time messaging with Web Socket.

Designed clean UI using React.

Added contextual AI replies.

## EXPERIENCE

**Intern (GET AnalyticX)**                                                                          **Jun 2025 - Jul 2025**

Gained hands-on experience in AI tools, data visualization, and web development while working in collaborative environment.

Built interactive dashboards using Power BI for data analysis and visualization.

Performed web scraping with BeautifulSoup to collect and process the data, Learned Django basics for web development.

## EDUCATION

**Bachelor of Engineering in Computer Science & Engineering (AIML) and Honours Data-Science**     **Sep 2023 - Sep 2027**

Theem College of Engineering Boisar  CGPA: 8.67 Ranked in the Top 5% of the class.

Completed key projects using JavaScript, React, AI. Active participant in technical clubs and coding contests.

## ADDITIONAL INFORMATION

**Languages:** English, Hindi.

**Certifications & Awards**

Analyzing and Visualizing Data with Microsoft Power BI certificate

Gen AI Certificate

Rated 1400 chess rating (Chess.com)

Ranked in Top 5% of College
